Dear State Employee:

Please accept my personal thanks for your dedicated service to the State of Arizona and for your generosity throughout the years in support of the State Employees Charitable Campaign (SECC). Many health and human services agencies are supported through your donations, including those that address the needs of children, the homeless, the infirmed, and the aging.

The SECC is organized and administered by caring and dedicated state employees to provide the State of Arizona with a cost effective and impartial procedure for charitable giving that minimizes disruption in the workplace. It is the only statewide payroll deduction solicitation during the year.

The success of the SECC campaign is a direct result of your generosity. Last year alone, state employees donated more than \$1.67 million. Every donation counts. Your pledge can be made through automatic payroll deduction, a one-time donation, or by logging on to www.azsecc.com where you can link to the secure SECC on-line giving process.

Please join me in supporting the SECC this year so that we can continue to be the providers of help and hope to our friends, family members and neighbors who need it the most. "Give a hand, touch a heart.... together we all win."

Yours very truly,
